

TRANSPORTATION ANALYST

## FADI CHAMOUN, CFA

Fadi joined BMO Capital Markets Equity Research in 2010. Prior to that, Fadi had 10 years' experience in equity research at another investment dealer in Toronto covering a variety of Canadian large cap companies in the transportation, aerospace, auto parts and industrial sectors. Fadi has consistently been a highly ranked analyst in the Brendan Wood International Survey in the auto parts, industrial products and transportation sectors. In 2008 and 2007, Fadi achieved all-star rankings (top three position or higher) in all three of these sectors. Prior to equity

research, Fadi spent two years in risk management at National Bank of Canada.

Fadi was ranked a top gun analyst in the 2017 Brendan Wood International Survey in transportation for the sixth year in a row. In the 2014 Brendan Wood survey, Fadi was ranked a top gun analyst in the industrials sector.

Fadi graduated with a bachelor of commerce and masters in finance from Ecoles des Hautes Etudes Commerciales in Montreal, and is a CFA charterholder.
