

INDUSTRIALS ANALYST

DEVIN DODGE, CFA

Devin joined BMO Capital Markets Equity Research in 2007 as a research associate, and has covered stocks in the retail, industrial, and transportation industries. He was promoted to an analyst role in 2016, with a focus on the Canadian industrial sector. Prior to joining BMO Capital Markets, Devin worked at a Canada-based automation company and

held positions in systems integration, project management, and sales.

Devin holds a bachelor of engineering science from Western University, an MBA from the Rotman School of Management at the University of Toronto, and is a CFA charterholder.
