

US PIPELINES & MLPs ANALYST

## DANILO JUVANE, CFA

Danilo is an analyst in BMO Capital Markets Equity Research covering the U.S. pipeline & master limited partnership (MLP) sectors. In 2017, Danilo was named among the “All-America Research Team Rising Stars” by Institutional Investor magazine. Most recently, Danilo worked as a research analyst with Kayne Anderson Fund Advisors, one of the largest MLP mutual funds in the U.S., covering Canadian midstream and small cap U.S. MLPs. Prior to joining Kayne Anderson, Danilo spent over five years as

an associate and research analyst at BMO as a critical member of the firm's leading North American pipeline franchise, culminating with his own initiation of MLPs in fall 2014. Before BMO, Danilo was a senior lead financial analyst in the corporate development arm of Entergy, one of the nation's largest electric utilities.

Danilo earned his MBA from the University of Texas McCombs School of Business, and is a CFA charterholder.
