This material has been prepared by or with the assistance of employees of BMO Nesbitt Burns Inc., BMO Capital Markets Limited, or BMO Capital Markets Corp. Sales and Trading Desk for distribution to BMO Capital Markets clients. It is not a research report that reflects the views of disinterested research analysts. It is not a product of BMO Capital Markets' Research Department, and the views of the Sales & Trading Desk may differ from those of the Research Department.

This material should not be construed as an offer or the solicitation of an offer to sell or to buy or subscribe for any particular product or services (including, without limitation, any commodities, securities or other financial instruments).

We are not soliciting any specific action based on this material. It is for the general information of our clients. It does not constitute a recommendation or a suggestion that any investment or strategy referenced herein may be suitable for you. It does not take into account the particular investment objectives, financial conditions, or needs of individual clients.

This material is directed only at entities or persons in jurisdictions or countries where access to and use of the information is not contrary to local laws or regulations. Its contents have not been reviewed by any regulatory authority. Certain products and services referred to in this material are designed specifically for certain categories of investors and such products and services would only be offered to these investors in those countries and regions in accordance with applicable laws and regulations.

Nothing in this material constitutes investment, legal, accounting or tax advice, or a representation that any investment or strategy is suitable or appropriate to your unique circumstances, or otherwise constitutes an opinion or a recommendation to you. BMO Capital Markets is not providing advice regarding the value or advisability of trading in commodity interests, including futures contracts and commodity options or any other activity which would cause BMO Capital Markets to be considered a commodity trading advisor under the U.S. Commodity Exchange Act. BMO Capital Markets is not undertaking to act as a swap advisor to you or in your best interests and you, to the extent applicable, will rely solely on advice from your qualified independent representative in making hedging or trading decisions. This material is not to be relied upon in substitution for the exercise of independent judgment. Any recipient of these materials should conduct its own independent analysis of the matters referred to herein, together with its qualified independent representative, if applicable. Any discussion of tax matters in these materials (i) is not intended to be used, and cannot be used or relied upon, for the purposes of avoiding any tax penalties and (ii) may have been written in connection with the "promotion or marketing" of the transaction or matter described herein. Accordingly, the recipient should seek advice based on its particular circumstances from its own independent financial, tax, legal, accounting and other professional advisors (including, without limitation, its qualified independent representative, if applicable).

This material is confidential and proprietary to, and may not be reproduced, disseminated or referred to, in whole or in part without the prior consent of BMO Capital Markets. Information presented in this material has been obtained or derived from sources believed by BMO Capital Markets to be reliable, but BMO Capital Markets does not guarantee their accuracy or completeness. BMO Capital Markets assumes no responsibility for verification of the information in these materials, no representation or warranty is made as to the accuracy or completeness of such information and BMO Capital Markets accepts no liability whatsoever for any loss arising from any use of, or reliance on, these materials. BMO Capital Markets assumes no obligation to correct or update these materials. This material does not contain all information that may be required to evaluate any transaction or matter and information may be available to BMO Capital Markets that is not reflected herein.

This material is not independent of the proprietary interests of BMO Capital Markets, which may conflict with your interests. BMO Capital Markets may have positions (long or short), and effect transactions or make markets, in securities mentioned herein, or provide advice or loans to, or participate in the underwriting or restructuring of the obligations of, issuers and companies mentioned herein. Moreover, BMO Capital Markets' trading desks may have acted on the basis of the information in these materials.
