

Disclaimer for Agency MBS Marketing Communications

The indicative prices and other information (collectively, the “Information”) shown herein has been provided by sales and trading personnel of BMO Capital Markets (as defined below). The Information is preliminary and subject to change, supersedes any such information previously delivered to you and will be superseded by any such information subsequently delivered to you and ultimately by the offering circular supplement, prospectus supplement or similar offering document (“Offering Document”) relating to the securities described herein (the “Securities”). The Information does not include all of the information required to be included in the Offering Documents. As such, the Information may not reflect the impact of all structural characteristics of the Securities and is qualified in its entirety by the information in the Offering Documents. Any investment decision with respect to the Securities should be made by you based solely upon the information contained in the final Offering Documents.

This is not an offer to sell or buy, or a solicitation of an offer to buy or sell the Securities in any jurisdiction in which such offer, solicitation or sale would be unlawful. Communications concerning possible transactions should be directed to your BMO Capital Markets sales representative. Prices herein are indicative prices and are not intended to reflect current market prices or prices at which BMO Capital Markets is prepared to purchase or sell the instruments in question. BMO Capital Markets may make markets or trade in the Securities and assets underlying such Securities. BMO Capital Markets may be long or short the instruments shown herein. For current prices and further information, contact your BMO Capital Markets sales representative.

The analyses, calculations and valuations herein are based on certain assumptions and data provided by third parties that may vary from the actual characteristics of the underlying assets and the Securities. The assumptions underlying the Information, including structure and collateral, which may or may not be reflected herein, may be modified from time to time to reflect changed circumstances. BMO Capital Markets has not verified these analyses, calculations or valuations. As such, no assurance can be given as to their accuracy, appropriateness or completeness in any particular context; or as to whether the analyses, calculations or valuations and/or the assumptions upon which they are based reflect present market conditions or future market performance. BMO Capital Markets has not undertaken to update or amend the Information since the date it was issued. More current information may be available publicly

from other sources. The Information should not be construed as either projections or predictions or as legal, tax, financial, investment or accounting advice. You should consult your own counsel, tax advisors, accountants and other advisors as to the legal, tax, business, financial and related aspects of a purchase of and investment in the Securities. Any weighted average lives, yields, principal payment periods or other characteristics of the Securities shown in the Information are based on prepayment and/or loss assumptions or structuring applied to the underlying assets, and changes in such prepayment and/or loss assumptions or structuring may dramatically affect such weighted average lives, yields, principal payment periods or other characteristics. It is possible that prepayments or losses on the underlying assets will occur at rates higher or lower than the potential rates shown in the Information.

The principal amount and designation of any Securities described in the Information are subject to change prior to issuance (including the possibility that one or more classes of Securities may be split, combined, or eliminated at any time prior to issuance or availability of final Offering Documents). The preliminary underlying assets and/or applied structuring used in preparing the Information are also subject change prior to issuance of the Securities or availability of final Offering Documents, which could cause certain characteristics of the Securities to differ from those shown in the Information.

BMO Capital Markets makes no representation or warranty as to the actual rate or timing of payments or losses on any of the underlying assets or the payments or yield on the Securities.

Furthermore, the Information may contain links to third-party models and analytics of the characteristics of the underlying assets, such as those available on Bloomberg. While we believe this and other similar third-party models and analytics are widely used by market participants, any links are provided here for convenience only. BMO Capital Markets makes no representation and provides no assurance or endorsement regarding the accuracy, appropriateness or completeness of Bloomberg's or any other models or similar analytics for any particular purpose and they may not be suitable for all users. Any user of these models is encouraged to investigate their underlying assumptions and operations prior to use.
