

## **DISCLAIMER**

This material has been prepared with the assistance of employees of Bank of Montreal (“BMO”) who are involved in BMO’ Global Markets FICC Sales and Trading’s sales and marketing efforts. Accordingly, it should be considered to be information provided by, and the views of, BMO’s Global Markets FICC Sales and Trading business generally and not a research report that reflects the views of disinterested research analysts.

Notwithstanding the foregoing, this material should not be construed as an offer or the solicitation of an offer to sell or to buy or subscribe for any particular product or services (including, without limitation, any commodities, securities or other financial instruments). This document is directed only at entities or persons in jurisdictions or countries where access to and use of the information is not contrary to local laws or regulations.

We are not soliciting any specific action based on this material, and therefore it should not be construed as an invitation or inducement to engage in any investment activity. It is for the general information of our clients. It does not constitute an investment recommendation or a suggestion that any investment or strategy referenced herein may be suitable for you. It does not take into account the particular investment objectives, financial conditions, or needs of individual clients.

Nothing in this material constitutes investment, legal, accounting or tax advice, or a representation that any investment or strategy is suitable or appropriate to your unique circumstances, or otherwise constitutes an opinion or an investment recommendation to you. BMO is not providing investment advice regarding the value or advisability of trading in commodity interests, including futures contracts and commodity options or any other activity which would cause BMO or any of its affiliates to be considered a commodity trading advisor under the U.S. Commodity Exchange Act. BMO is not undertaking to act as a swap advisor to you or in your best interests and you, to the extent applicable, will rely solely on advice from your qualified independent representative in making hedging or trading decisions. This material is not to be relied upon in substitution for the exercise of independent judgment. Any recipient of these materials should conduct its own independent analysis of the matters referred to herein, together with its qualified independent representative, if applicable. The recipient should seek advice based on its particular circumstances from its own independent financial, tax, legal, accounting and other professional advisors (including, without limitation, its qualified independent representative, if applicable).

These materials are confidential and proprietary to, and may not be reproduced, disseminated or referred to, in whole or in part without the prior consent of BMO. Information presented in this material has been obtained or derived from sources believed by BMO to be reliable, but BMO does not guarantee their accuracy or completeness. BMO assumes no responsibility for verification of the information in these materials, no representation or warranty is made as to the accuracy or completeness of such information and BMO accepts no liability whatsoever for any loss arising from any use of, or reliance on, these materials. BMO assumes no obligation to correct or update these materials. These materials do not contain all information that may be required to evaluate any transaction or matter and information may be available to BMO and/or its affiliates that is not reflected herein.
